Dear Lopatcong Community Members,

The Lopatcong Police Department continues to receive inquiries regarding various phone scams and all too often reports of residents being victims of fraud. As we move forward into the 2023 calendar year tax season, here are some valuable resources to help identify phone scams. To provide basic guidance on how to protect yourself or someone else from becoming a victim, this informational pamphlet, on [How to Avoid a Scam](#), provided by the Federal Trade Commission should be viewed and shared as needed.

In instances where further inquiry or assistance is needed, please do not hesitate to call to speak with a Lopatcong Twp. Police Officer. Many times residents delay or do not call for a number of reasons, only to find out later that they have become a fraud victim.

The Officers of the Lopatcong Twp. Police Department are committed to serving this Community and providing a high level of professionalism while doing so. While we are committed to the safety, security, and well being of all, we can not do it alone, let us know if you feel something is suspicious or just does not seem right.

Please call our non-emergency line (908)-859-2211 or 911 to report suspicious activity.

Sincerely,

Jason W. Garcia  
Chief of Police
